

**BETHLEHEM TOWNSHIP RECREATION
COMMITTEE**

I N V I T E S Y O U

To Our Open Public Community Meetings

With your help, we can be sure to get the word out to all our residents. We plan recreational events for all ages. We run sports programs for kids and adults. We have exercise programs. The town has a senior's organization. We have a Community Day with fireworks (Oct. 3, 2009). We organize the seniors' annual luncheon. Girls Scouts and Boy Scouts help us. Service hours for confirmation and high school kids are always welcomed.

Future Events: We have a park that will have a pavilion soon for all to enjoy – picnics, card games, dances and maybe even bingo! We're looking to have a Cruise Night, an Art Show, and Movies in the Park, maybe even a flea market!! What are your suggestions?

Grab your thoughts, ideas, friends, neighbors and family – please attend any of the monthly discussions and meet the committee.
